## **“Football Celebration” Memories to Last a Lifetime**

A one day event where \*Rec-Level/Small Town teams ages 6-12 from Texas, Oklahoma, Arkansas, etc play in the Dallas Cowboys' AT&T Stadium. Cheer teams perform on the sidelines & 50 yard line (STAR CHEER) in front of the entire crowd (one of the highlights of Red Zone Games!) Fans enjoy front row seats for all the action! MC's provided by CNAR Comedy.

Red Zone Games has been described as a “Football Celebration” as it's more about a memorable experience with your teammates/families, rather than wins and touchdowns.

Everyone receives a Self-Guided Tour of AT&T Stadium at no additional cost.

## **Rules & Team Eligibility**

### **Rules**

Texas High School UIL Rules with notable exceptions:

- Number of Games: 4
- Game Length: 15 minutes (running clock)
- Unique Number of Opponents: 3 or 4
- Field Use: Half
- Begin: 20 Yd Line
- First Down: 10 Yd Line
- Timeouts or Half-time: No
- Flip Flop: Yes
- Special Teams: No
- Fumbles or Interceptions = Turnover (Deadball)
- Scoring: Touchdowns 6 pts & all Extra Points 2 pts
- \*Red Zone Games Mercy Rule: Yes
- Stalling Penalty: Yes
- Coaches Allowed on Field: 1 (2 if 7U or 8U)
- Nose guards: Allowed
- Any defense restrictions? No
- \*Minimum Number of Plays/Player: 8

\*Red Zone Games Mercy Rule \*\*If a team takes a “2 TD lead”, they have “won” the game:

1. Teams should now play their less-developed players.
2. Refs may help the losing team score by moving ball to 1 yard line until they score or granting losing team unlimited number of downs, etc

## **Team Eligibility**

11 Man Tackle

- A. Maximum Age/Grade Level : 12 & under as of Aug 1 (in age-based leagues) & 6th Grade & under (in Grade-based leagues).
- B. Minimum Age/Grade Level : 7 & under/2nd Grade. (We often allow 6U/1st Grade teams on the understanding they will likely have to play teams about a year older.)
- C. NO All-star/combined teams : Red Zone Games are for kids who play a season together on the same team\*.
- D. No splitting teams : A “regular season team” cannot submit two “Red Zone Games teams”.
- Ex. a regular season team of 28 kids can only submit 1 team to play in RZG, not 2 teams.

\*Sometimes small teams need to add players from a different team to have enough to play in Red Zone Games:

1. Must first obtain approval from Red Zone Games
2. Any players added to your “regular season team” should not be among the best 5 players on your team or else they WON'T BE ALLOWED TO PLAY.

## **AT&T Stadium Tours (included)**

Self-guided tours are included in the FAN DAY PASS. You can tour either before or after your games. Families can tour individually or as a team.

Self-Guided Tours give fans access to the most popular areas of AT&T Stadium. Self-guided tours give you access to the field, the famous Cowboys Star, the Cowboys and Cheerleaders locker rooms, the Miller Lite Club and the postgame interview room. Knowledgeable Tour Ambassadors are stationed in each area to provide you with information and answer your questions about the stadium. Give yourself 60-90 minutes to take your Self-Guided Tour.

## **Cheer**

Cheer Squad Registration: Complete Pages 1 & 2 Cheer Squad Registration & submit 7 days or more before event.

Cheering from sidelines: Cheer squads cheer for their teams from the sidelines, sometimes sharing a sideline with other cheer squads. For cheer squads attending without a football team, it's often an option to cheer for a football team that doesn't have a cheer squad.

STAR CHEER 50 Yd Line Routine: Cheer Squads are able to perform on the 50 Yard Line just in front of the famous Dallas Cowboys Star! Get your cameras ready! Cheer squads can perform up to 3 minutes of routines (and/or cheers). The routines are performed about every hour or two while the games occur. The Star Cheer 50 Yard Line Routines are a major highlight of Red Zone Games as when the cheerleaders perform, the entire crowd pauses and watches and supports them - creating an amazing moment for the entire stadium.

An approximate 50' X 40' area is roped off on the 50 yd line about half way between the Cowboys Star and the sidelines. Have your squads routine music downloaded to your phone or other device to play directly from the DJ booth.
